LETTER RE PAYMENT OF EXTENSION OF TIME

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313

Dear Sir:

In connection with the filing of Continuation Application Serial No. 12/596,116 on September 29, 2009, an extension of time was filed with this parent application (Serial No. 09/987,707) on September 28, 2009, to thereby establish co-pendency between the '116 continuation application and this parent application (Serial No. 09/987,707), thus allowing proper claiming of priority to the parent application.

The required fee of \$865.00 was also paid and associated with a four month extension of time by electronic filing at the same time in this '707 application. However, because it is not certain that such electronic filing and payment will be

recognized by the U.S. Patent and Trademark Office as an extension of time, out of an abundance of caution, a separate petition for a four month extension of time is submitted herewith. **Because the \$865.00 payment has already been made for this extension of time on September 29, 2009, it is believed no further payment is necessary.**

However, in the event any fees are required in connection with extending the pendency of this application to include September 29, 2009, or in any other manner in connection with this paper, please charge the Deposit Account No. 50-4574.

Respectfully submitted,

/Patrick D. Muir/ Reg. #37403
